

# STARTTECH

CERTIFIED IT & CYBER EXPERTS

## Managed IT Support from Cyber Security Experts

Start Tech is an award-winning Managed Service Provider. We partner with businesses to look after their entire technology infrastructure. That includes as much or as little as you require, across IT, connectivity, telephone systems, cloud computing and cyber security. Finding an IT partner who understands your business is critical.

At Start Tech, we're not just an IT provider claiming to be your partner – we're strategic collaborators backed up by accreditation committed to driving your business forward through intelligent, secure, and innovative IT management. We want to offer a free of charge, exclusive offer to our neighbours on Shrewsbury Business Park.

### OFFER 1

#### Free IT Audit

- Independent review against 20+ Cybersecurity & IT controls.
- Clear Red/Amber/Green (RAG) status report.
- 1-hour consultation with one of our experts to explain the results and next steps.

OR

### OFFER 2

#### Free phishing simulation test

- Simulated phishing email to all your staff.
- Identify your team's weakest links before attackers do.
- Detailed results with recommended training actions next steps.

OR

### OFFER 3

#### Free Cyber Awareness Starter Session

- 30-minute live session (Online or on-site) with your team and Q&A time.
- Covers the top 5 cyber threats facing UK SMEs today.
- Includes simple practical steps your staff can implement.

### TERMS

- This offer is available exclusively to businesses based on Shrewsbury Business Park.
- Services are offered free of charge as part of this promotion and Start Tech will select the best options with you.
- Only one option may be selected per company.
- Offer subject to scheduling availability – we'll do our best to accommodate your preferred dates.
- Start Tech reserves the right to withdraw or amend this offer at any time.
